

# Welcome!

## Welcome to St Andrew's church

We are excited that you have connected up with us and we hope that this welcome pack will give you a helpful introduction as to who we are and what goes on here.

We are at an exciting phase in our journey as a church at the moment as we seek God's vision for the future together, and we would like to invite you to come and be part of that.

St Andrew's works closely with All Saints Malvern Wells and Wyche and is also part of the Chase Team which includes St Mary's in Pickersleigh.

Further information can be found on our website:

Dave, Alice, Joshua and Eleanor Bruce arrived in January 2016 for Dave to be the Team Rector here. He writes 'We have been greatly welcomed in to our church communities and are so excited about what God is already doing, and what he will do in our midst. We are committed to being open to His leading, and supporting

each and every individual who we meet to encounter Jesus for themselves and become all he has created us to be.'

St Andrew's as you will see, is a lively, friendly and welcoming community which seeks to 'partner with God in the flourishing of our communities.'

What we are primarily about, can be summed up in our mission statement:

- ⇒ **Encountering Jesus in Worship, Prayer, Word and Spirit**
- ⇒ **Growing whole-life, life-long disciples of Jesus**
- ⇒ **Seeing lives transforming and communities flourish as we demonstrate and proclaiming the Kingdom**

We would love you to invite you to come and join us on this journey.
